**Product description**

**Fiesta - New collection of French designer lamps from 10 Heures 10 (2025)**

The Fiesta collection from 10 Heures 10 is a tribute to lightness, joy and modern French design.
Designed by Fabrice Berrux, this new series of pendant lights combines simple, textile elegance with a poetic play of light.

The white fabric shade with its finely pleated structure creates a soft, diffuse light that bathes rooms in a warm, inviting atmosphere. Available as a single luminaire or in the Fiesta x3, x6 and x8 versions, the series offers numerous possibilities for private and public spaces - from living and dining areas to hotel lounges.

With integrated, dimmable LED lighting (TRIAC) and optional DALI or CASAMBI control, Fiesta stands for modern lighting design that elegantly combines emotion and technology.

Diameter 250 mm - Canopy white - Made in France

# Product information

**about Dix heures Dix**

Behind the name Dix heures Dix hide the two designers Catherine Grandidierand Fabrice Berrux. The Dix heures Dix manufactory clearly reflects this dichotomy. Unusual color combinations and the use of unusual materials are the hallmark of Catherine Grandidier's lamps. Following the success of textile collections such as La Colonne, dix heures dix has deliberately chosen to use modern, innovative and high-quality materials (Tyvek®, Dibond®, Corian®, etc.) for its latest creations. By mixing architectural, artistic, plant or fashion inspirations, the two designers (Fabrice Berrux and Ludovic Roth) strive to invent a narrative light where each product tells its own story.

The balance between the rigorous approach of industrial design and the wealth of artisanal know-how allows Dix heures Dix, to produce innovative and high quality lighting solutions.
