Optional shoe inserts also allow it to be used as a space-saving shoe cabinet.

The compartments are available in a choice of premium wood veneers (V Veneer) or various matt lacquer finishes (T Touch). This allows GIRALOT to be individually configured and seamlessly integrated into different interior styles.

Installation Note: The standard version accommodates skirting boards up to 7.5 cm high. For higher skirting boards, a visible 10 cm extension piece is available, allowing skirting boards up to 17.5 cm to be accommodated. The overall height of the furniture then becomes 206 cm, while the heights of the individual swivelling compartments remain unchanged.
