Product description

SCULPTURES JEUX COSMICO – Designer Coat Rack from Italy

The COSMICO coat rack by SCULPTURES JEUX was designed by Italian design studio Ottone Studio. Its design combines a slender metal frame with six circular elements of varying sizes, arranged to evoke a planetary system.

The six coat rack discs can be customised individually and combined in different colours and wood finishes. Options include coloured lacquer, oak, anthracite-stained oak and American walnut. Mirrors are also available for the two large discs.

Standing 175 cm tall with a 40 cm diameter base, COSMICO is suitable for entrance halls, living spaces, offices and hotels. Beyond its practical function, its distinctive shape adds a decorative touch to the interior.

COSMICO is also available as a wall-mounted coat rack.
