In our online store, we offer a selection of covers that are characterized by their ease of care and suitability for outdoor use. These covers are chosen 90% of the time because they offer an ideal combination of functionality, feel and comfort. You can easily make your selection using the “Vondom cover” feature.

Of course, we can offer you all covers from the Vondom collection on request. These covers, which are not available in our online store, are particularly suitable for use in regions with a predominantly sunny and dry climate or for indoor use. They impress with their particularly luxurious feel, but usually require more maintenance if soiled.

Design: Studio Vondom

Product description

The small square Jut from Vondom can be used as a side table and as a stool.

The Jut LED stool is adjustable in 7 colors with a remote control.

The RGB LED lighting version can be adjusted by remote control in the colors white, yellow, green, red, blue, light blue and pink. By means of an intensity regulator, a variety of color shades can be achieved, which makes every garden and interior appear in an unforgettable light. Just take a look at our great photos.

Product information

Like all Vondom furniture, the Jut LED side table stool is made of extremely strong and durable thermoplastic. This can be easily cleaned with a pressure washer if necessary and is thus clean again in no time. Furthermore, the piece of furniture is 100% recyclable.

In addition, the Jut LED side table & stool is very UV sunlight resistant and tested according to the UV8 standard. This standard confirms a minimum durability of the color faithful at an irradiation of 8000 hours under the sun of Florida. So you can enjoy your Vondom garden furniture for a long time.
