Design: Stefano Bettio

Product description

The 7For sideboard by SCULPTURES JEUX, designed by Stefano Bettio, combines modern Italian design with versatile customisation options.

The 210 cm wide sideboard features two wide drawers, an open compartment with a shelf and a hinged door on one side. It can be mounted directly on the wall or placed on an optional black metal base.

Product information

The body and fronts are available in a selection of premium real wood veneers and numerous lacquer colours from the T Touch collection. Colours and finishes can be combined individually.

The 7For collection also includes matching wall cabinets and shelves that complement the sideboard. Other dimensions and customised configurations are available on request.

about Sculptures Jeux

Sculptures Jeux is about playing with spaces, making the home lively and changeable, it's about being original by bringing color into our lives.
Home is the refuge of our feelings, a place where we experience emotions with the people we love.
Thus, the space that surrounds us gains importance, the furniture follows our personality, it is one with what we want to convey every day, it means communicating without saying a word, but with materials, shapes and colors. People and their creativity are at the center of the room.

Sculptures Jeux is committed to the green concept and uses a photovoltaic system to support 70% of its production. All panel and solid material suppliers are FSC-certified. The combustion of the biomass generated from the operation heats Sculptures Jeux's offices and workplaces and the production follows US regulations for low formaldehyde emissions.
