LED

»seventies« 70's PENDANT LIGHT **se-22 / se-32**

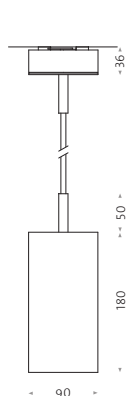

»70's« – the new luminaire series from mawa.
Compact dimensions, no visible connections, 365°
rotatable and 90° pivotable, integrated transformer
technology, 1800 lm, 26 Watt, CRI > 90

Mawa sets a new standard with this high per-
formance light output. A heat sink permanently
integrated into the housing increases the available
surface area, thus creating an optimized
mass-area-cooling relationship.

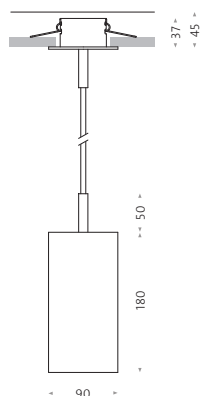

Three high performance reflectors: 13°, 20° and
35° with an efficiency 90 % are available to choose
from. Thanks to a patented mawa technique, these
reflectors are easily exchangeable.

-  powder coated RAL 9016 white matt (-9016)
-  powder coated RAL 9005 black dull matt (-9005)

se-22-1 / se-22-3

se-32-1 / se-32-3

Interchangeable reflectors exchangeable with vacuum suction tool **se-sh**

se-22 / se-32

Design: Jan Blieske / Jan Dinnebier

engineering: mawa design / Ole Jeschonnek

se-22 / se-32 Surface / Recessed pendant light

Powder-coated aluminum housing

spot 13°, medium 20°, flood 35°

26 W, 3000 K, CRI > 90, 1800 lm

efficiency 90 %, EEL = A+

LED burning time > 50 000 hours

se-22-1 / se-32-1 switchable

se-22-3 / se-32-3 dimmable with a 1-10V

se-22-4 / se-32-4 DALI dimmable

se-22-5 / se-32-5 Trailing edge dimmable

Optional:

se-g-sk sculptural lens

se-g-wf wallwasher lens

se-hr-si/-s accessory holder (silver / black) for:

se-bl-4 quad cover, **se-wa-5** black honeycomb

weight: 1100g

Series examined by  **DEKRA**
