

PRODUCT OVERVIEW

SHADE SCULPTURE STINGRAY

An expansive wing to wing birth of shade puts the Stingray in a class of its own. With a blend of elements from the natural world and state-of-the-art marine grade materials , the Stingray is both distinctive and durable. Rotating 360 degrees around its vertical axis, the sculpture can position itself for shade at any time of the day. From the smallest detail of its intricately laced, tensile shade skin to the polished, wrought aluminum Armor-Wall mast, the Stingray is built for years of blissful and inspired shade luxury.
