Product information

Dimensions / Technical data:

Approx. dimensions: length 180cm, depth 90cm, height 75cm

Wood version optional: See selection

Structure: Solid wood

Leg thickness 8 x 8cm

Top thickness 38mm, solid wood or MDF top

Design: Peter Joebsch, 2001

Product description

The function table in its simplest form. The strong protruding table legs give it presence in the room without imposing itself formally. It adapts to any environment and is versatile as a dining, conference and work table. The floating top ensures the greatest possible legroom.

About Zeitraum

Home:

ZEITRAUM is at home in the Bavarian foothills of the Alps. It is not so much the local roots that connect ZEITRAUM with our homeland, but rather the knowledge that life in the alpine region has traditionally been characterized by the conscious use of limited resources. The direct dependence on nature shapes ZEITRAUM's sense of responsibility and long-term thinking. The roots of the values lie in the respectful treatment of the natural habitat, which should be preserved for future generations in its diversity as a basis for life and a source of inspiration.

Longevity:

ZEITRAUM's designs are a tribute to the pure, the purity of the material and the durability of the form. Out of conviction, ZEITRAUM is committed to sustainable action in its entirety, and is committed to the principle that products are repairable, because this is the only way to ensure their longevity over generations. Repairing and maintaining deepens the relationship between man and product. ZEITRAUM has been pursuing the idea of combining design and ecology since its founding in 1990. ZEITRAUM processes only hardwoods from sustainable forestry and does not use any chemical treatment of the wood. The surfaces, left open-pored with biological oils, allow the furniture to breathe and retain its naturalness.
