In a game of proportions and distortions, the double-rimmed pot is reinterpreted, rising up, stretching and reaching out as it lights up. Marcantonio Light is a range of plant pots and bright pots designed by Serralunga for its range of outdoor patio furniture.

## Serralunga Clean Fighter

## about Serralunga

---

The first in Europe to develop rotational molding technology, the first to introduce the design jug and conceive the oversized jug. The first to design the illuminated jug, the first to exhibit an industrial vase in a museum and the first to develop new painting technologies with patterns.

Those who choose Serralunga can recognize and appreciate originality.

A FAMILY BUSINESS WITH HEART

## THE HERITAGE

Serralunga was founded in Biella in 1825 and is the name of the family that has been the creative and entrepreneurial heart of the company for six generations, producing modern outdoor furniture.

The company was founded as a tannery and then moved to leather processing for industrial purposes.
