Product description

Giulietta INDOOR + OUTDOOR

A garden bench is more than just a place to sit, it is a point of reference that attracts interest and attention. It must be versatile and adapt to different types of gardens and spaces, which is why its shape is kept neutral and simple.

In terms of form and concept, the classic English wooden bench serves as a model. An attempt was made to find a solution to various problems of a formal, functional, productive and commercial nature, but the project was primarily concerned with realizing the concept of the "bench".

Serralunga Clean Fighter

SERRALUNGA presents CLEAN FIGHTER, a new innovative composite for fast and efficient cleaning.

Product information

As part of Serralunga's ongoing research and innovation activities, a new compound has been developed: Clean Fighter.

Clean Fighter is an innovative composite that allows fast and efficient cleaning of all Serralunga furniture, flower pots and furnishings in standard colors. Less time spent cleaning is the result. CLEAN FIGHTER is not needed for products in matt or glossy finish.

Clean Fighter is absolutely versatile. Particular feature is the ability of the material to adapt to different shapes.

about Serralunga

The first in Europe to develop rotational molding technology, the first to introduce the design jug and conceive the oversized jug. The first to design the illuminated jug, the first to exhibit an industrial vase in a museum and the first to develop new painting technologies with patterns.

Those who choose Serralunga can recognize and appreciate originality.

A FAMILY BUSINESS WITH HEART

THE HERITAGE

Serralunga was founded in Biella in 1825 and is the name of the family that has been the creative and entrepreneurial heart of the company for six generations, producing modern outdoor furniture.

The company was founded as a tannery and then moved to leather processing for industrial purposes. The real revolution came with the processing of plastic and then with the rotational molding technology imported from the United States, which has produced countless Italian design objects such as outdoor lighting and contemporary furniture, all made in Italy.

MADE IN ITALY

Serralunga continues the excellence that has long been associated with the "Made in Italy" label, while offering new ways of living that allow us to relax and unwind with furnishings that enrich our lives.

CULTURAL INNOVATION

Serralunga is known for pushing the boundaries of materials, technologies and aesthetics with its sense of innovation and craftsmanship to create groundbreaking products that both inspire and delight.

Serralunga Color & Material Samples

Product information

Polyethylene matt

Polyethylene glossy lacquered

Polyethylene metallic lacquered

We will be happy to send you color samples and material samples for inspection free of charge upon request. The return postage for an insured parcel is to be paid by the customer - in the case of a purchase, the return postage will be refunded in full. We ask for the return of the color and material samples within 2 weeks, so that other customers can also dispose of them.
