Special feature: 5-year manufacturer's guarantee on the structure and 15 years on the fabric if the Tuuci care instructions are followed

Product description

The Ocean Master M1 umbrella combines innovative technology, elegant design profiles, and functional shading solutions in a particularly robust concept. Inspired by maritime engineering, all models are made from 100% replaceable parts, allowing for easy maintenance and repair. The warranty for these umbrellas is 15 years for the structure and 5 years for the canopy. Their timeless beauty makes them a true highlight on any terrace.

Key Features of the Ocean Master M1 Collection:

- **Exceptional Durability:** The aluminum crown system combines longevity and elegance, making it a real standout on any terrace. The optional Lift System with sail clamp aids in the effortless opening and closing of large umbrellas and is suitable for marine use.

- **Structural Support:** The ribs of the Ocean Master M1 umbrellas are reinforced at the joints, distributing the load effectively and ensuring enhanced durability. Corrosion-resistant resin components provide additional longevity.

Product information

- **Reinforced Canopy:** All Tuuci® umbrella canopies feature a reinforced pocket design that uses ballistic fabric to enhance strength and resistance to wear and damage. If the umbrella falls to the ground, the canopy remains durable.
- **Ideal for Outdoor Use:** Ocean Master M1 umbrellas are specifically designed to withstand the harshest environments and weather conditions.

Technological Features:

- **Patented crown with independent attachment points**
- **Marine-grade aluminum components**
- **Manual opening with stainless steel safety pin**
- **Armor-Wall mast for added stability**
- **Reinforced connection elements at rib joints**

The Ocean Master M1 umbrellas offer the perfect combination of cutting-edge technology and classic design values that are both functional and aesthetically pleasing.

about Tuuci

For more than 25 years, TUUCI has been designing the most innovative and trendiest shading systems in the industry. Founded out of the passion of Dougan Clarke, TUUCI’s designs are inspired by boat building.

This means that all TUUCI umbrellas, lounges, and canopies are carefully crafted to perform in all circumstances. But that’s not all. With their unique style and beautiful design, they captivate as an unparalleled focal point.

See for yourself by exploring the diverse range. You will quickly realize that TUUCI is committed to creating the purest form of natural comfort: a pleasant place in the shade. With their exceptionally durable, 100% replaceable parts and exquisite design, TUUCI’s umbrellas, pavilions, and lounges offer a unique shading experience. TUUCI is present globally in the USA, Europe, East Asia, and South America. Their mission is to extend the shade that nature has already provided. TUUCI products are handcrafted and inspired by the marvelous forms and natural beauty of nature.

TUUCI uses environmentally friendly processes from manufacturing to recycling. In addition, TUUCI is deeply involved in the community by supporting dozens of non-profit organizations.

And that’s just the beginning. As you browse through the products, you will quickly realize that TUUCI is deeply committed to creating the purest form of natural comfort: a pleasant place in the shade.
