Product description

UHLMANN Type T - round parasol Ø 5 m

The UHLMANN Type T Ø 5 meter is a high-quality round parasol for sophisticated outdoor areas, where classic design meets technical perfection. With its harmonious diameter of 5 meters, it creates generous shade zones and is the ideal choice for cafés, hotel terraces, gardens and lounge areas where aesthetics and functionality are equally important.

The powder-coated aluminum frame ensures maximum stability with an elegant appearance. The weatherproof Sunacryl® cover is UV-resistant, colorfast and resistant to moisture - ideal for daily use in the hospitality industry or in the private premium sector.

A sophisticated telescopic mechanism allows the sunshade to be opened and closed above table height - smoothly, ergonomically and safely. Even with intensive use, the mechanism remains reliable, making the Type T a proven companion in professional environments.

Whether with ground socket, plate or mobile base, the Type T Ø 5 m adapts flexibly to any structural situation. A wind roof, valance, integrated LED lighting or radiant heaters are optionally available - for maximum comfort and a perfectly coordinated ambience.

With its precise German manufacturing, robust construction and timelessly elegant design, the UHLMANN Type T Ø 5 m embodies the essence of quality, style and durability - a parasol that combines form and function at the highest level.

about Uhlmann

Uhlmann Parasols – German craftsmanship since 1992
Anyone who buys an Uhlmann parasol chooses genuine German quality workmanship. Since its founding in 1992, the company in Uttenweiler-Dentingen, Baden-Württemberg, has been manufacturing parasols for the highest demands – Made in Germany and crafted with passion down to the smallest detail.

Under the leadership of Christian Maar, robust, durable and elegantly shaped large parasols are created in the in-house manufactory, convincing through functionality, aesthetics and solidity. Around 40 employees work year-round to ensure that every product meets Uhlmann’s high quality standards – from the selection of materials to final assembly.

Parasols Made in Germany – quality that impresses
Uhlmann parasols are produced exclusively in Germany. The canopies are sewn by experienced staff from high-quality fabrics, with reinforced hems and elegant colour effects that lend any outdoor area a particularly stylish ambience. Printing, custom solutions and winter service are also carried out in Germany – for a perfectly rounded result.

The range includes large parasols in round, square or rectangular form with surface areas from 4 m² to over 78 m². A wide choice of fabric colours, special coatings and practical accessories such as lighting, radiant heaters or ground fixings is available. Whether for gastronomy, hospitality, public spaces or private gardens – Uhlmann delivers bespoke solutions that set standards in design, stability and wind resistance.

Award-winning innovation – strong-wind parasol of the year
