Product description

SIFAS BASKET - Premium outdoor lounge with iconic wickerwork
The **SIFAS Basket collection** brings an extraordinary design signature to gardens, terraces and patios: inspired by Kalife, with clear, balanced volumes and a sophisticated weave made of PVC-coated polyester - waterproof, robust and perfect for everyday outdoor use. The result is a look that is both elegant and noticeably durable.

Basket is designed as a comprehensive lounge system: sofas and lounge chairs form the basis, supplemented by modular elements that can be used to plan individual outdoor lounges of almost any size - from compact terraces to spacious hotel or restaurant areas. Relaxation/lounger elements (e.g. Recliner, Ottoman/Meridian modules) also ensure maximum relaxation. Matching seat and back cushions in various fabric qualities and protective covers round off the collection.

Basket also sets standards in terms of quality: a lacquered aluminum frame ensures stability with low weight, the weaving is easy to clean and durable - ideal for demanding outdoor projects where design and performance are equally important.

By choosing BASKET, you are not just choosing furniture, but a lifestyle that perfectly suits your patio or garden. This furniture adds sophistication and comfort to your outdoor space and offers the ideal combination of functionality and luxury.

about Sifas

Since its founding in the 1950s, Sifas has nurtured, across all its collections, a style that defines the era, a style both timeless and contemporary. The company is enduringly imbued with the revolutionary concept of living that finally brought light into homes, blurring the boundaries between indoors and outdoors and turning the garden into an open-air living area. In 2019, Sifas takes its inspiration from its heartland —the Riviera— and from the region's glory years.
