Product description

Collection of low tables with dimmer and light with parallelepiped shape, in glass glued at 45°, with shattered mirror effect decoration separated by thin coloured lines, available in glossy coloured diffusor glasses. In the lit version the light seeps through the glass gaining colour and diffusing it all around.

About Glas Italia

Glas Italia is an expert in the art of glass forming and uses traditional, handcrafted methods. Each piece is made with the utmost respect for tradition by the Italian masters of glass art. Glas Italia always engages the most renowned designers to bring out the best in this noble and at the same time pure material. Absolute transparency and total clarity, surprising combinations of different genres and an astonishing translucency: these creations exude a feeling of luxury combined with a touch of modernity.

In cooperation with successful international designers such as Michele De Lucchi, Piero Lissoni, Jean-Marie Massaud and many others, fascinating effects, grandiose processing techniques, clear and opulent designs have been created. Let yourself be enchanted by the variety of colors of the glasses, fine engravings and facets.
