Cylindrical vase in borosilicate transparent glass.

Product information

Characteristic: Due to a complex and refined blowing manufacturing, a concavity presenting continuity of solution with the outside, is created in the inside of the cylinder.

Design: Marc Krusin

Product description

Cylindrical vases in borosilicate transparent glass. Thanks to a complex and refined blowing manufacturing, a concavity, presenting continuity of solution with the outside, is created in the inside of the cylinder. Available in two different heights.

About Glas Italia

Glas Italia is an expert in the art of glass forming and uses traditional, handcrafted methods. Each piece is made with the utmost respect for tradition by the Italian masters of glass art. Glas Italia always engages the most renowned designers to bring out the best in this noble and at the same time pure material. Absolute transparency and total clarity, surprising combinations of different genres and an astonishing translucency: these creations exude a feeling of luxury combined with a touch of modernity.

In cooperation with successful international designers such as Michele De Lucchi, Piero Lissoni, Jean-Marie Massaud and many others, fascinating effects, grandiose processing techniques, clear and opulent designs have been created. Let yourself be enchanted by the variety of colors of the glasses, fine engravings and facets.
