Product information

Dimensions / Technical Data:

Dimensions: Ø110cm, Depth 3cm

The mirror is made of 5mm extralight glass.

Characteristic: The mirror assumes a magnetic aspect creating surreal effects thanks to three magnifying portholes fixed on a flat surface with each porthole having a different diameter and different degree of magnification. The mirror has a delicate bevelled edge on its perimeter under the silvered surface.

Design: Piero Lissoni

Product description

5mm extralight mirror available in round or oval shapes. The mirror assumes a magnetic aspect creating surreal effects thanks to three magnifying portholes fixed on a flat surface with each porthole having a different diameter and different degree of magnification. The mirror has a delicate bevelled edge on its perimeter under the silvered surface to refine and enhance the beauty of this object.

About Glas Italia

Glas Italia is an expert in the art of glass forming and uses traditional, handcrafted methods. Each piece is made with the utmost respect for tradition by the Italian masters of glass art. Glas Italia always engages the most renowned designers to bring out the best in this noble and at the same time pure material. Absolute transparency and total clarity, surprising combinations of different genres and an astonishing translucency: these creations exude a feeling of luxury combined with a touch of modernity.

In cooperation with successful international designers such as Michele De Lucchi, Piero Lissoni, Jean-Marie Massaud and many others, fascinating effects, grandiose processing techniques, clear and opulent designs have been created. Let yourself be enchanted by the variety of colors of the glasses, fine engravings and facets.
