Product description

FAZ is an outdoor modular furniture collection and flowerpots designed by Ramón Esteve for the Spanish company VONDOM.

Ramón Esteve, architect of the harmony, serenity, timelessness and the universality has created mineral and expressive shape that makes FAZ a design that contextualizes with the homes and installations. Atmosphere, encircling as a result of the happy combination of the material and light elements, so that the unique sensing would be its fusion. Their soul VONDOM lives themselves in the exclusiveness by the quality of the material that permits an exterior using even in the most exacting environments.

The modularity of FAZ permits the consumers to adapt the furniture and flowerpots to their style and necessary without losing the harmony of this furniture set. FAZ is composed by a sun-lounger with auxiliary table, armchair, modular sofa and coffee table.

Complete the collection with three flowerpots of different proportions that form a unit. The collection is available with excellent quality nautical or polyester cushion. The result is a work that transmits essence, that contains the complexity and the density of a resolved work until the extreme detail, whose end is the creation of places where desire to live.

about Vondom

Vondom stands for a modern lifestyle. Vondom indoor & outdoor furniture is designed with passion for people who appreciate innovation and quality - people like you who love trends and demand the best.

Focus on design

Design is the key to our success. With each new collection, we create spaces full of glamor and uniqueness. Vondom furniture brings life and elegance to every room, so you can enjoy life to the full.

Global designers

Vondom collections are created in collaboration with international designers such as Fabio Novembre, Karim Rashid and many more. Their passion for modern forms and culture makes every piece of furniture an exclusive work of art.

Global success

Vondom is present in over 120 countries, with flagship stores and showrooms around the world, including Valencia, Miami, Los Angeles and Shanghai.

VONDOM planters

Material properties:

- Material: LLDPE resin, linear low density polyethylene. UL 94 HB
- Manufacturing process: Rotational molding - rotational molding process
- UV-resistant, factor: UV8, corresponding to 8,000 hours of Florida sunshine
- Extremely temperature resistant (-60 to -80 degrees Celsius)
- Impact resistant
- Lightweight
- 100 % recyclable

Watering system & integrated wheels:

Planters with a self-watering system are usually supplied with integrated wheels up to a size of 60cm. The integrated wheels make it easier to move the planter. The watering system ensures perfect care for your plants. The watering system is designed for indoor use only and is not suitable for outdoor use.

Indoor or outdoor use?

Illuminated planters have an integrated and lockable water drain. This means they can be used both indoors and outdoors. Planters without lighting do not have integrated water drainage. When used outdoors, several holes must be drilled with a drill both in the base of the planting area and in the subsoil on which the planter stands to prevent waterlogging.
