Available accessories: Weather protection cover

Design: Sifas

Product description

Timeless and Contemporary Designer: Sifas
Sifas takes its inspiration from its heartland —the Riviera— and from the region's glory years.

The home of Sifas is a renowned holiday destination with lovely residences that are masterworks of Belle Époque or modernist architecture, a land favoured by great artists, painters, writers, and musicians, who distilled creative energy from the feeling of freedom in the air. This inspiring past that is part of the essence of the Côte d’azur has emboldened Sifas to reinterpret the lines of its most recent collection.

about Sifas

Since its founding in the 1950s, Sifas has nurtured, across all its collections, a style that defines the era, a style both timeless and contemporary. The company is enduringly imbued with the revolutionary concept of living that finally brought light into homes, blurring the boundaries between indoors and outdoors and turning the garden into an open-air living area. In 2019, Sifas takes its inspiration from its heartland —the Riviera— and from the region's glory years.
