About Caravita

CARAVITA is regarded as the leading brand for high-quality sunshades and sun sails and as a synonym for quality and design. With spans of up to seven meters, the noble large umbrellas create space for all conceivable uses and, thanks to an exceptionally robust construction, can withstand even high wind loads. Innovative mechanisms open each umbrella size as smoothly as on the first day, even after years of use, and ensure easy and convenient handling. CARAVITA parasols are characterized by handcrafted, made-to-measure production. The complete selection of fabric and frame colors can be individually combined. This guarantees - in connection with many other brilliant extras - the fulfillment of highest demands in gastronomy, hotel business and in the private garden.

- Individual design: over 130 fabric and 200 frame colors according to the customer's wishes.
- Durable products: Due to high-quality aluminum and stainless steel components
- Innovative mechanics: Ensures smooth operation for years to come
- High stability: Thanks to above-average wall thickness of pole and struts
- Special shapes made to measure with the Big Ben Freestyle

The living space grows out into the open. Eating, drinking, celebrating, laughing or working outside - there are no limits to individuality. No matter whether on the private balcony or the cozy restaurant terrace. Even in spring, when the first warm rays of sunshine entice people outside, they want to enjoy additional comfort. Indispensable for leisure time in the green are well thought-out trend products in the field of sun protection. This is the only way to create new favorite spots and make outdoor living a year-round pleasure.

- Off-the-peg sunshades? Not at CARAVITA. After all, your requirements and needs are also quite individual. That's why each of our sunshades is custom-made. See for yourself how, with over 30 years of experience and a lot of passion, a high-quality shade provider is created.
