Product description

Hyperion carries the heat and the good moments to the outside

With Hyperion starts a new way of heating and elegance for all outside spaces. A outdoor gas heater that combines productivity and an inspiring design, fully capable of unite itself to any decorative element and to the nights spent with friends and family. Available in several shapes and colours, with the mobility required to transport it, it is the adjuvant you were looking for to take maximum advantage of all the spaces you have.

Tile-Hyperion. The Tile-Hyperion has its charm in the details and geometry narrowly drawn that make the product a special piece of art. The flame gracefully flutters and demonstrates its power over the spaces and lines cutted on purpose.

About Glammfire

GlammFire was founded in 2008 in Northern Portugal and is a luxury fireplace brand that works worldwide. GlammFire represents Portuguese design as well as modern / contemporary style. As one of the most sought-after fireplace brands in the world, GlammFire specializes in designing and manufacturing exclusive fireplaces that fit into a new lifestyle.

The will to be more efficient, the search for differentiation achieved through the development of unique products and the respectful commitment to ecology are present in every detail of GlammFire products.
