Product description

Product information

Pedrera design chair designed by Eugeni Quitllet for Spanish design brand Vondom was inspired by the curvy and sensual shapes of La Pedrera building. Casa Milà - "La Pedrera" is a unique building designed by the famous modernist architect Antoni Gaudí and built in Barcelona between 1906 and 1921. This chair wants to play with the waves and become part of a continuous movement ... a movement to infinity that imitates the movement of the sea. A chair whose shape and design are stackable to save space. It is lightweight and comfortable.
