Product information

The Teckell T1.3 wood combines warm Canaletto walnut with crystal-clear glass to create a statement of nature and design. If you are looking for an even more minimalist masterpiece with an iconic presence, discover the T1.1 pool table - uncompromising elegance in its purest form.

Dimensions / Technical Data:

Optional dimensions approx:

8-foot: length 260cm, width 148cm, height 82cm

9-foot: length 290cm, width 163cm, height 82cm

Structure: Clear, tempered crystal glass (low iron), 15 mm thick, with double beveled edges - both for the playing field and the legs.

Playing field: Made from a single, 15 mm thick sheet of tempered crystal glass. Under the playing surface is a sound-absorbing polyurethane layer that ensures optimum ball rebound properties.

Connections: High-precision CNC-machined components ensure maximum dimensional accuracy and stability. Adjusting screws under the glass top allow the playing surface to be precisely leveled.

Frame / bumper strips: Solid aluminum strips with Canaletto walnut inlays - an elegant combination of technical rigor and natural warmth.

Base: Solid oak with an open-pored, matt black surface and chrome-plated metal strips.

Cover: Simonis® 860 worsted fabric, easily replaceable thanks to the plug-and-play tensioning system. Available in five standard colors: black, slate grey, navy blue, royal blue, bordeaux. Other colors on request.

Pockets: The classic pockets have been replaced by flexible polyurethane pockets that hold up to three balls and then retract back to their original shape.

The Teckell tool kit contains: Certificate of Authenticity, assembly instructions, special tools, cue holder, marked cue ball rest, a set of Teckell cues, Super Aramith® Pro American Ball Set and chalk set.

Product description

Luxury billiard table made of glass - design meets exclusivity

The Teckell T1.3 wood billiard table is more than just a game - it is a sculptural statement for connoisseurs with a sense of form, material and exclusivity. This designer billiard table combines contemporary Italian design with natural elements such as Canaletto walnut wood and crystal glass. The combination of solid aluminum slats with fine wood inlays and an open-pore oak base gives the table a warm, architectural presence - perfect for stylish living spaces, galleries or unusual offices.

The playing surface consists of a single, 15 mm thick sheet of tempered glass, underlaid with a sound-absorbing polyurethane layer - for realistic rebounds and a pleasant playing experience. The Simonis® 860 worsted cover is available in five colors and can be easily replaced thanks to the innovative tensioning system. Flexible polyurethane pockets emphasize the minimalist design while remaining functional and durable.

The T1.3 wood is the ideal choice for anyone who wants to buy a premium billiard table that combines design, naturalness and technical perfection at the highest level. A masterpiece - for people with character and a room that deserves it.

Are you asking yourself: "Where can you buy a luxurious pool table?" - At **Home & Light** you will find selected luxury class billiard tables such as the Teckell T1.3 wood - handmade, limited and unmistakable.

About Teckell

Teckell stands for contemporary luxury lifestyle:

The brand crafts unique, avant-garde design pieces with an innovative approach that allow global customers to appreciate and enjoy the Italian "Dolce Vita".

The unique pieces in Teckell Collections are made entirely in Italy and travel the world to seamlessly integrate into any environment, location, personality or style.

The true core of Teckell lies in its Italian artisan heritage. The brand's Maestri Artigiani give Teckell's artwork the creativity and touch that only a human hand can provide. All designs and details are developed by the company's in-house research and development department. Each piece is realized with state-of-the-art tools and technologies: Innovation and design merge to create works of art to live.

Tested by professionals, certified by luxury experts. Perfection is in the details, in the minimalist approach of clean lines, precise angles and carefully selected exquisite materials such as marble, wood and crystal.
