Product description

The Kross collection by SIFAS is a subtle combination of tradition and modernity, bringing elegance and comfort to your space. The soft, flowing lines and generous shapes of the Kross furniture make it a true highlight in any interior. Deep and comfortable seating provides unparalleled relaxation, while the elegant "wrought iron" appearance hides a high-tech aluminum structure, offering both strength and lightness.

The Kross collection fits perfectly in both a Provencal farmhouse surrounded by lavender fields and a contemporary villa. Kross harmoniously combines style and functionality, making it the ideal choice for creating a comfortable and stylish space.

By choosing the Kross collection from SIFAS, you are investing in durable, high-quality furniture that reflects your personality and creates an atmosphere of exclusive comfort.

about Sifas

Since its founding in the 1950s, Sifas has nurtured, across all its collections, a style that defines the era, a style both timeless and contemporary. The company is enduringly imbued with the revolutionary concept of living that finally brought light into homes, blurring the boundaries between indoors and outdoors and turning the garden into an open-air living area. In 2019, Sifas takes its inspiration from its heartland —the Riviera— and from the region's glory years.
