Pointer optional: chrome plated or blue anodized

Charge autonomy: 7+1 days / charge reserve up to 5 minutes. Graham escapement. Elements with reduced weight: 2.4 kg drive; 6.5 kg bob lens.

Product information

Design: Teckell

Product description

A minimalist interpretation of the classic grandfather clock, this imposing pendulum clock houses the mechanism in a crystal frame with a black marble base and top. The pendulum is made of Invar, a material with a minimal coefficient of thermal expansion. The hands are chrome-plated, the gears are coated with DLC to minimize friction, and the stainless steel axles rotate on 15 ball bearings. The winding mechanism has an autonomy of seven + one days. Certificate of authenticity and instructions are included. An exquisite timepiece that proudly and elegantly flaunts its absolute accuracy and advanced technology.

About Teckell

Teckell stands for contemporary luxury lifestyle:

The brand crafts unique, avant-garde design pieces with an innovative approach that allow global customers to appreciate and enjoy the Italian "Dolce Vita".

The unique pieces in Teckell Collections are made entirely in Italy and travel the world to seamlessly integrate into any environment, location, personality or style.

The true core of Teckell lies in its Italian artisan heritage. The brand's Maestri Artigiani give Teckell's artwork the creativity and touch that only a human hand can provide. All designs and details are developed by the company's in-house research and development department. Each piece is realized with state-of-the-art tools and technologies: Innovation and design merge to create works of art to live.

Tested by professionals, certified by luxury experts. Perfection is in the details, in the minimalist approach of clean lines, precise angles and carefully selected exquisite materials such as marble, wood and crystal.
