Product description

Versatile side table with solid wood frame and three extendable tops. The tops have a laminated side with a solid wood frame and an inner side that can be used as a tray. Par3 is the versatile interpreter of every room: easy and practical to move, it transforms into a practical piece of furniture for the bedroom, a coffee table for the living room or occasional furniture for small rooms.

about Sculptures Jeux

Sculptures Jeux is about playing with spaces, making the home lively and changeable, it's about being original by bringing color into our lives.
Home is the refuge of our feelings, a place where we experience emotions with the people we love.
Thus, the space that surrounds us gains importance, the furniture follows our personality, it is one with what we want to convey every day, it means communicating without saying a word, but with materials, shapes and colors. People and their creativity are at the center of the room.

Sculptures Jeux is committed to the green concept and uses a photovoltaic system to support 70% of its production. All panel and solid material suppliers are FSC-certified. The combustion of the biomass generated from the operation heats Sculptures Jeux's offices and workplaces and the production follows US regulations for low formaldehyde emissions.
