about Sifas

Since its founding in the 1950s, Sifas has nurtured, across all its collections, a style that defines the era, a style both timeless and contemporary. The company is enduringly imbued with the revolutionary concept of living that finally brought light into homes, blurring the boundaries between indoors and outdoors and turning the garden into an open-air living area. In 2019, Sifas takes its inspiration from its heartland —the Riviera— and from the region's glory years.
