Product description

ATMOSPHERA chest for accessories FLAIR

From residential to hospitality areas, suitable for any mood, available in white or graphite, Flair is a functional addition to outdoor areas, practical with minimalist and clean shapes.

Structure: aluminum + teak details

Product information

The aluminum furniture is powder-coated in white and graphite, which provides an impact and scratch resistant surface. The furniture can remain outdoors all year round and is easy to clean.

about Atmosphera

ATMOSPHERA is an outdoor design brand and has been a reference point for the international market for over 20 years, dictating style and refinement. It continually searches for innovative solutions, exploring multiple situations, complex markets and different cultures: from the home environment to hospitality spaces, from the world of wellness to the care of public spaces in a professional environment.

Living rooms, contemplative places, dining rooms and workplaces, commercial and public spaces, up to the most intimate corners of houses and their alcoves: a roundup of scenes and atmospheres, rather than objects. Scenes of stories where the protagonists have left traces of their presence, but above all the staging of what they have accomplished in that environment. From resting under the shade of a tree to concentrated study for hours, from contemplation to refreshment, from solitude to sharing in company.
