## Product description

---

### ATMOSPHERA FLAIR console

The Flair console features an aluminum structure painted with epoxy powder for outdoor use in white or graphite. Equipped with generous HPL shelves, pioneering wheels and bottle holders and handles in solid Asian teak. Flair is a functional, practical accessory with a minimalist and clean design, ideal for any outdoor area.

### Structure: aluminum + teak details

The aluminum furniture is powder-coated in white and graphite, which ensures an impact and scratch-resistant surface. The furniture can remain outside all year round and is easy to clean.

## about Atmosphera

---

ATMOSPHERA is an outdoor design brand and has been a reference point for the international market for over 20 years, dictating style and refinement. It continually searches for innovative solutions, exploring multiple situations, complex markets and different cultures: from the home environment to hospitality spaces, from the world of wellness to the care of public spaces in a professional environment.

Living rooms, contemplative places, dining rooms and workplaces, commercial and public spaces, up to the most intimate corners of houses and their alcoves: a roundup of scenes and atmospheres, rather than objects. Scenes of stories where the protagonists have
