Product description

ATMOSPHERA LUDO lantern

Ludo by Atmosphera combines aesthetics and functionality in a lantern made of high-quality acrylic fabric. The organic shapes create an inviting atmosphere by gently filtering the light through artfully woven cords. Featuring a sturdy aluminum structure, this lantern is perfect for year-round outdoor use. Available in a choice of two appealing colors, it offers a versatile way to illuminate and beautify your outdoor space.

Structure: Aluminum with hand-woven Teflon acrylic fiber ropes

Aluminum structures combined with hand-woven Teflon acrylic fiber ropes, waterproof and easy to clean.

The material has an inviting, refined appearance like the woven fabrics. It is characterized by its UV resistance and is dry in no time.

about Atmosphera

ATMOSPHERA is an outdoor design brand and has been a reference point for the international market for over 20 years, dictating style and refinement. It continually searches for innovative solutions, exploring multiple situations, complex markets and different cultures: from the home environment to hospitality spaces, from the world of wellness to the care of public spaces in a professional environment.

Product information

Living rooms, contemplative places, dining rooms and workplaces, commercial and public spaces, up to the most intimate corners of houses and their alcoves: a roundup of scenes and atmospheres, rather than objects. Scenes of stories where the protagonists have left traces of their presence, but above all the staging of what they have accomplished in that environment. From resting under the shade of a tree to concentrated study for hours, from contemplation to refreshment, from solitude to sharing in company.
