Product description

The Duna collection embodies the timeless essence and wild elegance of the majestic desert dunes. Inspired by nature, with its flowing forms and quiet grandeur, this luxurious furniture collection brings the breathtaking vastness and sense of freedom that can only be found in the endless expanses of the desert into your home. The construction of the furniture pieces is made of wood veneer or lacquer, which gives the furniture a modern and sophisticated look. The profiles and details of the furniture are finished with metal. The Duna collection brings an atmosphere of luxury, freedom and natural beauty into your home and makes every interior unique and distinctive.

about Capital

A home that is second to none: the most extraordinary place of all.

The Capital Collection begins with creative design work in-house and goes through all phases of material research and production. The brand is not based on an industrial production concept, but on artisanal methods that operate independently of specific materials and technologies. These methods are based on in-house production cycles that are based entirely on craftsmanship.

Product information

Custom tailoring of the modern classic

For us, bespoke luxury is when the design meets the personality of the customer, resulting in an individually crafted product that belongs exclusively to them. Such a product can tell others something about you - about your personality, your taste, your ambitions and your attitude to life. It can be an invisible, silent emotion that communicates with you, and you can feel its exclusive charm. Capital Collection produces emotional and luxurious products, creating a concept for an exquisite lifestyle. Every Capital product in your home connects with the vibrations and soul of its inhabitants. The imperfections of materials, essences, fabrics and marble become a recognizable expression of reality. An expression of the cultural identity that each of us carries within us.

NEW LUXURY TAKES FROM

The innovative machineries used to manufacture items of the Capital collections mould wood respecting its nature and grant extreme precision of details.

In addition to that the irreplaceable work of master craftsmen gives Capital projects the allure of unique handmade items.

As a consequence, the final product comes from the craftsmanship's method that is as rare as precious while innovation is constantly applied to production techniques with the aim of perfecting woodworking focusing to detail.

Capital creates products that are contemporary, functional with an unmistakable stylish and all these elements characterize the company, together with the use of sophisticated machine tools and latest generation production technologies such as galvanizing process of metals or the creation of items upholstery. Capital's materials par excellence. They are different one from each other in texture and colour, come from quarries in Italy or abroad, are carefully selected and processed with cutting-edge technologies.
