Product description

With its wide, shady wings, the Stingray is in a class of its own. The design elements borrowed from nature give the Stingray an unmistakable appearance, and thanks to the high-quality materials suitable for the marine sector, it is extremely hard-wearing. As the Stingray can be rotated 360 degrees around its vertical axis, this sculpture provides pleasant shade at any time of day. With its detailed, stretchable cover and polished pole made of turned Armor-Wall aluminum, the Stingray is a luxurious shade provider that you will enjoy for many years to come.

about Tuuci

Product information

For more than 25 years, TUUCI has been designing the most innovative and trendiest shading systems in the industry. Founded out of the passion of Dougan Clarke, TUUCI’s designs are inspired by boat building.

This means that all TUUCI umbrellas, lounges, and canopies are carefully crafted to perform in all circumstances. But that’s not all. With their unique style and beautiful design, they captivate as an unparalleled focal point.

See for yourself by exploring the diverse range. You will quickly realize that TUUCI is committed to creating the purest form of natural comfort: a pleasant place in the shade. With their exceptionally durable, 100% replaceable parts and exquisite design, TUUCI’s umbrellas, pavilions, and lounges offer a unique shading experience. TUUCI is present globally in the USA, Europe, East Asia, and South America. Their mission is to extend the shade that nature has already provided. TUUCI products are handcrafted and inspired by the marvelous forms and natural beauty of nature.

TUUCI uses environmentally friendly processes from manufacturing to recycling. In addition, TUUCI is deeply involved in the community by supporting dozens of non-profit organizations.

And that’s just the beginning. As you browse through the products, you will quickly realize that TUUCI is deeply committed to creating the purest form of natural comfort: a pleasant place in the shade.
