From seaside installations to exposed roadside locations
100% reusable

Product description

The Mainland planter impresses with its simple, monochrome design, which is a clear reference to the origins of modern design. Available in eight different powder-coated finishes, it blends seamlessly into classic settings as a stylish architectural element. Made from marine-grade materials that have stood the test of time in high-traffic areas - from coastal settings to exposed street corners - the Mainland planter is particularly hard-wearing. With its elegant, smooth panels and high-quality powder coating, it is a modern highlight that stylishly enhances both indoor and outdoor spaces.

about Tuuci

For more than 25 years, TUUCI has been designing the most innovative and trendiest shading systems in the industry. Founded out of the passion of Dougan Clarke, TUUCI’s designs are inspired by boat building.

This means that all TUUCI umbrellas, lounges, and canopies are carefully crafted to perform in all circumstances. But that’s not all. With their unique style and beautiful design, they captivate as an unparalleled focal point.

See for yourself by exploring the diverse range. You will quickly realize that TUUCI is committed to creating the purest form of natural comfort: a pleasant place in the shade. With their exceptionally durable, 100% replaceable parts and exquisite design, TUUCI’s umbrellas, pavilions, and lounges offer a unique shading experience. TUUCI is present globally in the USA, Europe, East Asia, and South America. Their mission is to extend the shade that nature has already provided. TUUCI products are handcrafted and inspired by the marvelous forms and natural beauty of nature.

Product information

TUUCI uses environmentally friendly processes from manufacturing to recycling. In addition, TUUCI is deeply involved in the community by supporting dozens of non-profit organizations.

And that’s just the beginning. As you browse through the products, you will quickly realize that TUUCI is deeply committed to creating the purest form of natural comfort: a pleasant place in the shade.
