Product description

The Ocean Master M1 Voilare parasol from Tuuci combines classic elegance and modern luxury in a unique design. With curved ribs and a flowing sea shell valance, this parasol creates a sophisticated silhouette that is both aesthetically pleasing and functional. The double-sided cover of the M1 Voilare Wonder, decorated with the characteristic Wonder print motif, not only offers protection from the sun, but also a touch of luxury. The sea shell valance adds an extra dimension to the sunshade, while the reinforced ribs and hinges provide extra strength and durability. Corrosion-resistant synthetic resin joints increase the longevity of the umbrella, making it perfect for use in harsh environments.

Special features of the Ocean Master M1 Voilare collection:

- **Elegant design:** the parasol offers a curved silhouette and a flowing scalloped valance to enhance the aesthetics of your outdoor space.
- **Double-sided cover with Wonder print motif:** Available in a variety of colors, the umbrella offers an added artistic accent.
- **Robust construction:** The reinforced ribs and hinges absorb stresses and provide additional stability.
- **Corrosion-resistant synthetic resin joints:** These ensure long-lasting strength and resilience.
- **Customizable:** The Voilare Wonder can be combined with pre-selected upgrades and customizable elements to beautify your outdoor space to your liking.

Technological features:

- **Aluma-Teak mast:** High-quality mast for exceptional stability.
- **Pulley with sail clamp:** Allows easy opening and closing of the sunshade with leverage.
- **Sea Scalloped valance:** With optional contrasting edging for added visual accents.
- **24 tassels:** For a unique, decorative look.
- **Matching or contrasting top cap:** Ensures a harmonious overall look.

The Ocean Master M1 Voilare from Tuuci offers the perfect balance between functionality and luxurious design and is the ideal choice for demanding outdoor areas that require both comfort and style.

about Tuuci

For more than 25 years, TUUCI has been designing the most innovative and trendiest shading systems in the industry. Founded out of the passion of Dougan Clarke, TUUCI's designs are inspired by boat building.

This means that all TUUCI umbrellas, lounges, and canopies are carefully crafted to perform in all circumstances. But that's not all. With their unique style and beautiful design, they captivate as an unparalleled focal point.

See for yourself by exploring the diverse range. You will quickly realize that TUUCI is committed to creating the purest form of natural comfort: a pleasant place in the shade. With their exceptionally durable, 100% replaceable parts and exquisite design, TUUCI's umbrellas, pavilions, and lounges offer a unique shading experience. TUUCI is present globally in the USA, Europe, East Asia, and South America. Their mission is to extend the shade that nature has already provided. TUUCI products are handcrafted and inspired by the marvelous forms and natural beauty of nature.

Product information

TUUCI uses environmentally friendly processes from manufacturing to recycling. In addition, TUUCI is deeply involved in the community by supporting dozens of non-profit organizations.

And that’s just the beginning. As you browse through the products, you will quickly realize that TUUCI is deeply committed to creating the purest form of natural comfort: a pleasant place in the shade.
