Product description

The Africa sofa and the spacious Africa XL sofa, designed by Eugeni Quitllet for VONDOM, pay homage to the origins of the design brand - reduced to the essentials, yet functional and expressive.

Made from durable polypropylene, the sofas combine lightness, ergonomics and a clear design language. They are ideal for use as premium lounge furniture in outdoor areas, whether on the terrace, in the garden or in exclusive hotel facilities.

Thanks to their clear lines, the sofas can be perfectly combined with other elements from the Africa collection - such as armchairs, chairs, bar stools or sun loungers - for a harmonious and well thought-out furnishing concept.

The high-quality Africa garden and lounge furniture series stands for timeless outdoor design and long-lasting aesthetics - made for people who want to live stylishly and consciously.
