Product description

The **Colonne series** from the French label **dix heures dix** stands for striking designer luminaires that combine architecture and lighting art. The **130 cm long** model impresses with clear lines and a timeless design language that lends any room a modern elegance.

The lampshade made of finely pleated fabric provides a soft, even light, creating an atmospheric ambience - ideal for living rooms, lounges or prestigious areas. Thanks to the high-quality materials and precise workmanship, this luminaire is not only decorative, but

Product information

also durable and functional.

A special highlight: the **Colonne pendant lights** are available in three different lengths (160 cm, 130 cm and 100 cm) and can therefore be perfectly matched to different room concepts. The range is complemented by stylish **floor lamps**, which complete the ensemble and open up additional design options.

With the Colonne 130 cm, you can make an elegant statement in interior lighting - a successful combination of French design, sophisticated fabric processing and harmonious light.

about Dix heures Dix

Behind the name Dix heures Dix hide the two designers Catherine Grandidierand Fabrice Berrux. The Dix heures Dix manufactory clearly reflects this dichotomy. Unusual color combinations and the use of unusual materials are the hallmark of Catherine Grandidier's lamps. Following the success of textile collections such as La Colonne, dix heures dix has deliberately chosen to use modern, innovative and high-quality materials (Tyvek®, Dibond®, Corian®, etc.) for its latest creations. By mixing architectural, artistic, plant or fashion inspirations, the two designers (Fabrice Berrux and Ludovic Roth) strive to invent a narrative light where each product tells its own story.

The balance between the rigorous approach of industrial design and the wealth of artisanal know-how allows Dix heures Dix, to produce innovative and high quality lighting solutions.
