UHLMANN Type T - round parasol Ø 3 m

Elegant round parasol with professional standards - manufactured in Germany for stylish outdoor areas.

The UHLMANN Type T Ø 3 meter combines classic design with modern engineering. The round parasol creates a harmonious interplay of light and shade and lends an inviting atmosphere to any terrace, café area or hotel complex. Ideal for guests who appreciate comfort and design in equal measure.

The high-quality aluminum frame is powder-coated and offers maximum stability with low weight. The Sunacryl® cover is spinneret-dyed, retains its brilliant color and is resistant to UV radiation, moisture and dirt - perfect for continuous professional use.

Thanks to the telescopic drive, the sunshade can be opened and closed effortlessly without moving tables or chairs. When closing, the frame automatically rises above table height - a well thought-out solution that makes everyday life in the catering and hotel industry easier.

The UHLMANN Type T Ø 3 m can be installed in a variety of ways - whether with a ground sleeve, base plate or mobile stand frame. Additional options such as wind canopy, valance, LED lighting or heating systems increase comfort and adapt the parasol perfectly to any usage concept.

With its precise German manufacturing, durable materials and timeless, rounded shape, the UHLMANN Type T Ø 3 m stands for quality, functionality and aesthetics at the highest level - an investment that will last for years.
