Product information

The parasol type T is available in over 20 sizes. Special sizes are available on request.

Dimensions / Technical Data:

Shade crowns: Solid aluminum in frame colour

Pole: Aluminum, Ø 80mm, wall thickness 4-5mm

Frame / pole optional: See color palette

Operating mode: Crank drive

Covering: Sunacryl® protects permanently and reliably against wind, weather, light and UV rays. It is dirt & water repellent

Shape of the parasol: round

Size: Ø 3 metres

Fabric color: See color palette

Fabric finish:

The spun-dyed Sunacryl® fiber is color-fast and tear-resistant thanks to the special impregnation. The Sunacryl® fabric is therefore ideal for your parasol and is also easy to clean.

Available accessories:

Straight valance

Ground socket complete with hinge for setting in concrete, 42cm long (minimum foundation size 50x50x80cm)

Galvanized steel plate, 50x50x1.2cm for screwing onto a load-bearing surface (concrete)

Steel plate 100x100cm for screwing onto a load-bearing surface (concrete) - custom-made, price on request

Polyester protective cover (effectively protects the fabric from soiling when the sunshade is closed)

Telescopic pole (makes it easier to put on and remove the protective cover)

Product information

Customized fabric printing is possible on request - e.g. your logo, name or freely selectable motifs.

Product description

UHLMANN Type TS - round parasol Ø 3 m - Windproof

The UHLMANN Type TS Ø 3 m is the most compact and at the same time impressively stable representative of the wind-resistant parasol series. Developed for locations where wind is not a coincidence, but an everyday occurrence - from coastal regions and mountain terraces to exposed roof gardens.

With a pole diameter of 80 mm and a reinforced aluminum frame, the TS type offers maximum stability with minimum weight. Internally reinforced roof struts, solid pivot points and an aerodynamically optimized design ensure safety even in gusts of up to 102 km/h - tested and confirmed in the wind tunnel test.

The high-quality Sunacryl® fabric is spun-dyed, UV-resistant and water-repellent. It retains its brilliant colors and withstands sun, rain and salty air - ideal for professional outdoor use in hotels, restaurants, cafés and private terraces.

Two tried-and-tested options are available for fastening: a dowelled base plate or a ground socket set in concrete. Both guarantee maximum wind safety, even in strong gusts. It is conveniently operated by hand crank or crank pin.

With its compact round shape, tested wind resistance and German precision manufacturing, the UHLMANN type TS Ø 3 m stands for uncompromising quality, functional elegance and durability. A parasol that not only provides shade, but also confidence - even in storms.

UHLMANN Type TS Ø 3 m - the small but strong professional parasol for extreme conditions. Wind-tested, weatherproof and Made in Germany.

about Uhlmann

Uhlmann Parasols - German craftsmanship since 1992

Anyone who buys an Uhlmann parasol chooses genuine German quality workmanship. Since its founding in 1992, the company in Uttenweiler-Denting, Baden-Württemberg, has been manufacturing parasols for the highest demands - Made in Germany and crafted with passion down to the smallest detail.

Under the leadership of Christian Maar, robust, durable and elegantly shaped large parasols are created in the in-house manufactory, convincing through functionality, aesthetics and solidity. Around 40 employees work year-round to ensure that every product meets Uhlmann's high quality standards - from the selection of materials to final assembly.

Parasols Made in Germany - quality that impresses

Uhlmann parasols are produced exclusively in Germany. The canopies are sewn by experienced staff from high-quality fabrics, with reinforced hems and elegant colour effects that lend any outdoor area a particularly stylish ambience. Printing, custom solutions and winter service are also carried out in Germany - for a perfectly rounded result.

The range includes large parasols in round, square or rectangular form with surface areas from 4 m² to over 78 m². A wide choice of fabric colours, special coatings and practical accessories such as lighting, radiant heaters or ground fixings is available. Whether for gastronomy, hospitality, public spaces or private gardens - Uhlmann delivers bespoke solutions that set standards in design, stability and wind resistance.

Award-winning innovation - strong-wind parasol of the year

Product information

With its innovative strong-wind parasol, recognised as one of the “Solutions of the Year 2021” at the renowned “Gardens of the Year” competition, Uhlmann proves its expertise and innovative strength. The company is among Germany’s leading parasol manufacturers and also supplies partners in the USA via the general importer J. R. Partners in California.
