Product information

The parasol type T is available in over 20 sizes. Special sizes are available on request.

Dimensions / Technical Data:

Shade crowns: Solid aluminum in frame colour

Pole: Aluminum, Ø 80mm, wall thickness 4-5mm

Frame / pole optional: See color palette

Operating mode: Crank drive

Covering: Sunacryl® protects permanently and reliably against wind, weather, light and UV rays. It is dirt & water repellent

Shape of the parasol: round

Size: Ø 4 metres

Fabric color: See color palette

Fabric finish:

The spun-dyed Sunacryl® fiber is color-fast and tear-resistant thanks to the special impregnation. The Sunacryl® fabric is therefore ideal for your parasol and is also easy to clean.

Available accessories:

Straight valance

Ground socket complete with hinge for setting in concrete, 426cm long (minimum foundation size 50x50x80cm)

Galvanized steel plate, 50x50x1.2cm for screwing onto a load-bearing surface (concrete)

Steel plate 100x100cm for screwing onto a load-bearing surface (concrete) - custom-made, price on request

Polyester protective cover (effectively protects the fabric from soiling when the sunshade is closed)

Telescopic pole (makes it easier to put on and remove the protective cover)

Product information

Customized fabric printing is possible on request - e.g. your logo, name or freely selectable motifs.

Product description

UHLMANN Type TS - round parasol Ø 4 m - Windproof

The UHLMANN Type TS Ø 4 m is the powerful solution for anyone who does not want to do without extensive shade even in strong winds. With its robust construction, precise technology and perfect aesthetics, this professional parasol sets new standards for wind-resistant parasols in the catering and hotel sector.

The striking feature of the 4-meter model is its impressive span, which provides generous shade for seating groups, lounge areas and restaurant terraces. The reinforced aluminum pole with a diameter of 80 mm and the solid roof struts made of powder-coated aluminum give the sunshade exceptional stability - even at wind speeds of up to 102 km/h, as confirmed by wind tunnel tests.

Thanks to the high-quality Sunacryl® fabric, the UHLMANN type TS Ø 4 m is also visually impressive: the spinneret-dyed fabric remains brilliantly colored, UV-resistant and water-repellent, even in intense sunlight or salty air in coastal regions. This material quality stands for durability and premium performance - ideal for professional use in the catering and hotel industry as well as in the demanding private sector.

As an option, the parasol can be firmly anchored using a dowelled base plate or a ground socket set in concrete. Both variants guarantee maximum stability and safety even in strong winds. Operation is extremely simple: the sunshade can be easily opened and closed using a precise hand crank or a practical crank pin - even with its generous span.

With its round shape, elegant lines and uncompromising "Made in Germany" manufacturing quality, the UHLMANN Type TS Ø 4 m is the perfect choice for anyone who wants to combine function, design and safety in a wind-resistant large sunshade.

UHLMANN Type TS Ø 4 m - the large-format professional parasol for stormy days. Wind-resistant, weatherproof and designed to meet the highest demands.

about Uhlmann

Uhlmann Parasols - German craftsmanship since 1992

Anyone who buys an Uhlmann parasol chooses genuine German quality workmanship. Since its founding in 1992, the company in Uttenweiler-Dentingen, Baden-Württemberg, has been manufacturing parasols for the highest demands - Made in Germany and crafted with passion down to the smallest detail.

Under the leadership of Christian Maar, robust, durable and elegantly shaped large parasols are created in the in-house manufactory, convincing through functionality, aesthetics and solidity. Around 40 employees work year-round to ensure that every product meets Uhlmann's high quality standards - from the selection of materials to final assembly.

Parasols Made in Germany - quality that impresses

Uhlmann parasols are produced exclusively in Germany. The canopies are sewn by experienced staff from high-quality fabrics, with reinforced hems and elegant colour effects that lend any outdoor area a particularly stylish ambience. Printing, custom solutions and winter service are also carried out in Germany - for a perfectly rounded result.

The range includes large parasols in round, square or rectangular form with surface areas from 4 m² to over 78 m². A wide choice of fabric colours, special coatings and practical accessories such as lighting, radiant heaters or ground fixings is available. Whether for

Product information

gastronomy, hospitality, public spaces or private gardens – Uhlmann delivers bespoke solutions that set standards in design, stability and wind resistance.

Award-winning innovation – strong-wind parasol of the year
With its innovative strong-wind parasol, recognised as one of the “Solutions of the Year 2021” at the renowned “Gardens of the Year” competition, Uhlmann proves its expertise and innovative strength. The company is among Germany’s leading parasol manufacturers and also supplies partners in the USA via the general importer J. R. Partners in California.
