Product information

The parasol type T is available in over 20 sizes. Special sizes are available on request.

Dimensions / Technical Data:

Shade crowns: Solid aluminum in frame colour

Pole: Aluminum, Ø 80mm, wall thickness 4-5mm

Frame / pole optional: See color palette

Operating mode: Crank drive

Covering: Sunacryl® protects permanently and reliably against wind, weather, light and UV rays. It is dirt & water repellent

Shape of the parasol: round

Size: Ø 4,5 metres

Fabric color: See color palette

Fabric finish:

The spun-dyed Sunacryl® fiber is color-fast and tear-resistant thanks to the special impregnation. The Sunacryl® fabric is therefore ideal for your parasol and is also easy to clean.

Available accessories:

Straight valance

Ground socket complete with hinge for setting in concrete, 42cm long (minimum foundation size 50x50x80cm)

Galvanized steel plate, 50x50x1.2cm for screwing onto a load-bearing surface (concrete)

Steel plate 100x100cm for screwing onto a load-bearing surface (concrete) - custom-made, price on request

Polyester protective cover (effectively protects the fabric from soiling when the sunshade is closed)

Telescopic pole (makes it easier to put on and remove the protective cover)

Product information

Customized fabric printing is possible on request - e.g. your logo, name or freely selectable motifs.

Product description

UHLMANN Type TS - round parasol Ø 4.5 m - Windproof

The UHLMANN Type TS Ø 4.5 m is the giant among wind-resistant parasols. Developed for demanding outdoor areas where large areas need to be safely shaded - whether hotel terraces, beach restaurants, rooftop lounges or extensive private gardens. This sunshade stands for uncompromising stability and impressive presence.

With its reinforced 80 mm diameter aluminum pole and extra robust roof struts made of powder-coated aluminum, the TS type can withstand even strong gusts of up to 102 km/h - tested and confirmed in a professional wind tunnel. The perfectly balanced construction distributes the wind forces evenly, keeping the sunshade safe and stable even in storms.

The high-quality Sunacryl® fabric provides the elegant look and the necessary durability. The spinneret-dyed fabric is UV-resistant, water-repellent and colorfast - even in intense sun or salty sea air. This makes the UHLMANN type TS Ø 4.5 m ideal for restaurants, hotels and outdoor design projects.

Two tried-and-tested fastening systems are available for secure installation: a bolted base plate or a ground socket set in concrete. Both variants guarantee maximum wind safety and stability. It is conveniently operated using a smooth-running hand crank or a crank pin - despite its impressive size, handling remains comfortable and precise.

The UHLMANN type TS Ø 4.5 m combines the art of engineering "Made in Germany" with timeless design and technical perfection. Its minimalist design, stable mechanics and tested wind resistance make it a real professional tool for continuous outdoor use.

UHLMANN Type TS Ø 4.5 m - the large, wind-resistant premium sunshade for hotels, restaurants and exclusive outdoor areas. Robust, elegant and reliable in all weathers.

about Uhlmann

Uhlmann Parasols - German craftsmanship since 1992

Anyone who buys an Uhlmann parasol chooses genuine German quality workmanship. Since its founding in 1992, the company in Uttenweiler-Dettingen, Baden-Württemberg, has been manufacturing parasols for the highest demands - Made in Germany and crafted with passion down to the smallest detail.

Under the leadership of Christian Maar, robust, durable and elegantly shaped large parasols are created in the in-house manufactory, convincing through functionality, aesthetics and solidity. Around 40 employees work year-round to ensure that every product meets Uhlmann's high quality standards - from the selection of materials to final assembly.

Parasols Made in Germany - quality that impresses

Uhlmann parasols are produced exclusively in Germany. The canopies are sewn by experienced staff from high-quality fabrics, with reinforced hems and elegant colour effects that lend any outdoor area a particularly stylish ambience. Printing, custom solutions and winter service are also carried out in Germany - for a perfectly rounded result.

The range includes large parasols in round, square or rectangular form with surface areas from 4 m² to over 78 m². A wide choice of fabric colours, special coatings and practical accessories such as lighting, radiant heaters or ground fixings is available. Whether for gastronomy, hospitality, public spaces or private gardens - Uhlmann delivers bespoke solutions that set standards in design, stability

Product information

and wind resistance.

Award-winning innovation – strong-wind parasol of the year
With its innovative strong-wind parasol, recognised as one of the “Solutions of the Year 2021” at the renowned “Gardens of the Year” competition, Uhlmann proves its expertise and innovative strength. The company is among Germany’s leading parasol manufacturers and also supplies partners in the USA via the general importer J. R. Partners in California.
