Product information

The parasol type T is available in over 20 sizes. Special sizes are available on request.

Dimensions / Technical Data:

Shade crowns: Solid aluminum in frame colour

Pole: Aluminum, Ø 110mm, wall thickness 4-5mm

Frame / pole optional: See color palette

Operating mode: Crank drive

Covering: Sunacryl® protects permanently and reliably against wind, weather, light and UV rays. It is dirt & water repellent

Shape of the parasol: round

Size: Ø 7 metres

Fabric color: See color palette

Fabric finish:

The spun-dyed Sunacryl® fiber is color-fast and tear-resistant thanks to the special impregnation. The Sunacryl® fabric is therefore ideal for your parasol and is also easy to clean.

Available accessories:

Straight valance

Ground socket complete with hinge for setting in concrete, 43cm long (minimum foundation size 50x50x80cm)

Galvanized steel plate, 50x50x1.2cm for screwing onto a load-bearing surface (concrete)

Steel plate 100x100cm for screwing onto a load-bearing surface (concrete) - custom-made, price on request

Polyester protective cover (effectively protects the fabric from soiling when the sunshade is closed)

Telescopic pole (makes it easier to put on and remove the protective cover)

Customized fabric printing is possible on request - e.g. your logo, name or freely selectable motifs.

Product description

UHLMANN Type TX - round parasol Ø 7 m - windproof & reinforced

The UHLMANN Type TX Ø 7 m is a masterpiece of German parasol technology - developed for the highest demands in professional outdoor areas. With its impressive size and massively reinforced construction, it is one of the most powerful large parasols in its class. This parasol not only offers shade, but also safety, stability and elegance - even in extreme wind conditions.

Its reinforced 110 mm diameter pole and robust aluminum structure with extra strong roof struts make the TX a real **strong-wind parasol**. It was specially developed for large-scale shading in hotels, restaurants, resorts and event locations, where reliability and

Product information

durability are top priorities. Tested in the wind tunnel, the TX remains absolutely stable even in gusts of over 100 km/h.

The powder-coated aluminum components are corrosion-resistant, weatherproof and low-maintenance - ideal for long-term outdoor use. Thanks to its precise mechanics, the large sunshade can be operated smoothly by hand crank or crank pin despite its enormous dimensions. Optional extras such as integrated LED lighting, radiant heaters or individual color design are available.

The Sunacryl® cover of the TX is made of high-quality spun-dyed acrylic fabric. It is UV-resistant, water and dirt-repellent and retains its color intensity for years - even under intense sunlight or in coastal regions. This means that the sunshade is not only functional, but also a visual highlight.

UHLMANN manufactures the TX Ø 7 m **sunshade** on request as a **made-to-measure sunshade** - adapted to architectural requirements, color concepts and locations. Whether on spacious hotel terraces, public squares or luxurious roof gardens - this sunshade sets standards for design, stability and technical perfection.

UHLMANN Type TX Ø 7 m - the reinforced premium large sunshade for professional requirements. Wind-resistant, durable, individually configurable and Made in Germany.

about Uhlmann

Uhlmann Parasols - German craftsmanship since 1992

Anyone who buys an Uhlmann parasol chooses genuine German quality workmanship. Since its founding in 1992, the company in Uttenweiler-Denting, Baden-Württemberg, has been manufacturing parasols for the highest demands - Made in Germany and crafted with passion down to the smallest detail.

Under the leadership of Christian Maar, robust, durable and elegantly shaped large parasols are created in the in-house manufactory, convincing through functionality, aesthetics and solidity. Around 40 employees work year-round to ensure that every product meets Uhlmann's high quality standards - from the selection of materials to final assembly.

Parasols Made in Germany - quality that impresses

Uhlmann parasols are produced exclusively in Germany. The canopies are sewn by experienced staff from high-quality fabrics, with reinforced hems and elegant colour effects that lend any outdoor area a particularly stylish ambience. Printing, custom solutions and winter service are also carried out in Germany - for a perfectly rounded result.

The range includes large parasols in round, square or rectangular form with surface areas from 4 m² to over 78 m². A wide choice of fabric colours, special coatings and practical accessories such as lighting, radiant heaters or ground fixings is available. Whether for gastronomy, hospitality, public spaces or private gardens - Uhlmann delivers bespoke solutions that set standards in design, stability and wind resistance.

Award-winning innovation - strong-wind parasol of the year

With its innovative strong-wind parasol, recognised as one of the "Solutions of the Year 2021" at the renowned "Gardens of the Year" competition, Uhlmann proves its expertise and innovative strength. The company is among Germany's leading parasol manufacturers and also supplies partners in the USA via the general importer J. R. Partners in California.
