Product information

The parasol type TXV is available in 2 sizes. Special sizes are available on request.

Dimensions / Technical Data:

Shade crowns: Solid aluminum in frame colour

Pole: Aluminum, Ø 111mm, wall thickness 7mm

Frame / pole optional: See color palette

Operating mode: Crank drive

Covering: Sunacryl® protects permanently and reliably against wind, weather, light and UV rays. It is dirt & water repellent

Shape of the parasol: square

Size: 6,5 x 6,5 metres

Fabric color: See color palette

Fabric finish:

The spun-dyed Sunacryl® fiber is color-fast and tear-resistant thanks to the special impregnation. The Sunacryl® fabric is therefore ideal for your parasol and is also easy to clean.

Available accessories:

Straight valance

Base frame 130×130×10–20 cm made of galvanized steel for inserting 16 concrete slabs 40×40×5 cm with leveling screws (concrete slabs not included).

Ground socket complete with hinge for setting in concrete, 43cm long (minimum foundation size 50x50x80cm)

Galvanized steel plate, 50x50x1.2cm for screwing onto a load-bearing surface (concrete)

Steel plate 100x100cm for screwing onto a load-bearing surface (concrete) - custom-made, price on request

Polyester protective cover (effectively protects the fabric from soiling when the sunshade is closed)

Telescopic pole (makes it easier to put on and remove the protective cover)

Customized fabric printing is possible on request - e.g. your logo, name or freely selectable motifs.

Product description

UHLMANN Type TXV - The impressive parasol 6.5×6.5 m

The **UHLMANN type TXV** rightly bears its name - "The impressive one". With its impressive sizes of **6.5×6.5 m** and **7×7 m**, this large parasol is one of the most powerful models in the entire UHLMANN collection. It creates impressive shaded areas of **42.3 m²** or **49 m²** and transforms large open spaces into stylish, comfortable lounging areas.

Product information

Thanks to its **12-strut telescopic technology** and the additionally **reinforced aluminum construction**, the TXV is exceptionally stable, wind-resistant and durable. The solid **Ø 111 mm pole** with **7 mm wall thickness** and the strut profile of **56x31x2.5 mm** guarantee maximum stability - even in strong winds and adverse weather conditions. This makes the TXV type the ideal solution for exposed locations, roof terraces, parks, events, trade fairs and professional outdoor catering.

It is conveniently operated by hand crank or crank pin. Despite its enormous span, the TXV opens and closes smoothly and precisely - a typical example of German engineering **Made in Germany**. Its clear design language, combined with its powerful construction, makes it the focal point of any outdoor area.

The frame, pole and cover can be individually configured. UHLMANN offers numerous **fabrics and colors** so that the large sunshade blends harmoniously into any architectural concept. Accessories such as LED lighting, radiant heaters or special solutions are available on request - for even more comfort and atmosphere.

Advantages of the UHLMANN type TXV at a glance:

- ✓ Ideal for shading very large areas (up to 49 m²)
- ✓ Robust 12-strut telescopic technology
- ✓ Wind and weatherproof - tested for professional use
- ✓ High-quality materials & precise workmanship
- ✓ Individual color & size customization possible
- ✓ 100% Made in Germany

UHLMANN Type TXV - The impressive large sunshade for maximum stability, impressive shade area and unmistakable elegance. Perfect for hotels, restaurants & events with high standards.

about Uhlmann

Uhlmann Parasols - German craftsmanship since 1992

Anyone who buys an Uhlmann parasol chooses genuine German quality workmanship. Since its founding in 1992, the company in Uttenweiler-Dentingen, Baden-Württemberg, has been manufacturing parasols for the highest demands - Made in Germany and crafted with passion down to the smallest detail.

Under the leadership of Christian Maar, robust, durable and elegantly shaped large parasols are created in the in-house manufactory, convincing through functionality, aesthetics and solidity. Around 40 employees work year-round to ensure that every product meets Uhlmann's high quality standards - from the selection of materials to final assembly.

Parasols Made in Germany - quality that impresses

Uhlmann parasols are produced exclusively in Germany. The canopies are sewn by experienced staff from high-quality fabrics, with reinforced hems and elegant colour effects that lend any outdoor area a particularly stylish ambience. Printing, custom solutions and winter service are also carried out in Germany - for a perfectly rounded result.

The range includes large parasols in round, square or rectangular form with surface areas from 4 m² to over 78 m². A wide choice of fabric colours, special coatings and practical accessories such as lighting, radiant heaters or ground fixings is available. Whether for gastronomy, hospitality, public spaces or private gardens - Uhlmann delivers bespoke solutions that set standards in design, stability and wind resistance.

Award-winning innovation - strong-wind parasol of the year

With its innovative strong-wind parasol, recognised as one of the "Solutions of the Year 2021" at the renowned "Gardens of the Year" competition, Uhlmann proves its expertise and innovative strength. The company is among Germany's leading parasol manufacturers
