Steel plate 100x100cm for screwing onto a load-bearing surface (concrete) - custom-made, price on request

Polyester protective cover (effectively protects the fabric from soiling when the sunshade is closed)

Telescopic pole (makes it easier to put on and remove the protective cover)

Customized fabric printing is possible on request - e.g. your logo, name or freely selectable motifs.

Product description

UHLMANN Type TLX large parasol 7 x 8 m - rectangular

The UHLMANN Type TLX large parasol in a rectangular design (7 x 8 m) was developed for spacious outdoor areas with a clear architectural structure. With an impressive shade area of around 56 m², this sunshade offers a perfect combination of design, function and engineering - ideal for hotels, restaurants, courtyards, event areas and spacious terraces.

Product information

The precisely manufactured 12-strut technology and the 110 mm thick pole made of powder-coated aluminum ensure maximum stability and durability - even in wind and weather. The telescopic gear with double-ratio running mechanism enables opening and closing above table height without having to move furniture - a decisive advantage in professional use.

The high-quality Sunacryl® fabric is UV-resistant, water-repellent and available in many colors. In addition to the standard equipment, optional features such as integrated LED lighting, radiant heaters, branding or rain gutters are also available.

With its rectangular shape, the UHLMANN TLX 7 x 8 m creates clear lines and generous shade zones - a durable solution for demanding projects that combine functionality and design.

about Uhlmann

Uhlmann Parasols – German craftsmanship since 1992

Anyone who buys an Uhlmann parasol chooses genuine German quality workmanship. Since its founding in 1992, the company in Uttenweiler-Dentingen, Baden-Württemberg, has been manufacturing parasols for the highest demands – Made in Germany and crafted with passion down to the smallest detail.

Under the leadership of Christian Maar, robust, durable and elegantly shaped large parasols are created in the in-house manufactory, convincing through functionality, aesthetics and solidity. Around 40 employees work year-round to ensure that every product meets Uhlmann's high quality standards – from the selection of materials to final assembly.

Parasols Made in Germany – quality that impresses

Uhlmann parasols are produced exclusively in Germany. The canopies are sewn by experienced staff from high-quality fabrics, with reinforced hems and elegant colour effects that lend any outdoor area a particularly stylish ambience. Printing, custom solutions and winter service are also carried out in Germany – for a perfectly rounded result.

The range includes large parasols in round, square or rectangular form with surface areas from 4 m² to over 78 m². A wide choice of fabric colours, special coatings and practical accessories such as lighting, radiant heaters or ground fixings is available. Whether for gastronomy, hospitality, public spaces or private gardens – Uhlmann delivers bespoke solutions that set standards in design, stability and wind resistance.

Award-winning innovation – strong-wind parasol of the year

With its innovative strong-wind parasol, recognised as one of the “Solutions of the Year 2021” at the renowned “Gardens of the Year” competition, Uhlmann proves its expertise and innovative strength. The company is among Germany's leading parasol manufacturers and also supplies partners in the USA via the general importer J. R. Partners in California.
