Galvanized steel plate, 50x50x1.2cm for screwing onto a load-bearing surface (concrete)
Steel plate 100x100cm for screwing onto a load-bearing surface (concrete) - custom-made, price on request
Polyester protective cover (effectively protects the fabric from soiling when the sunshade is closed)
Telescopic pole (makes it easier to put on and remove the protective cover)

Customized fabric printing is possible on request - e.g. your logo, name or freely selectable motifs.

Product description

Product description - UHLMANN Type MMA parasol 5.5 × 4.8 × 3.2 m

The UHLMANN Type MMA parasol is an extraordinary design parasol that was originally created in collaboration with the renowned Spatial Affairs Bureau for the Metropolitan Museum of Art in New York. The model impresses with its asymmetrical shape, modern lines and the precision craftsmanship that turns every parasol into an architectural statement.

The 5.5 × 4.8 × 3.2 meter version offers a generous 43 m² of shade and is ideal for prestigious outdoor areas - whether on hotel terraces, in restaurants, public facilities or in exclusive private residences. The robust construction with a pole diameter of Ø 111 mm and reinforced aluminum struts guarantees stability and durability even in demanding weather conditions.

As one of the few manufacturers in Europe, Uhlmann sunshades offers the option of custom-made sunshades - individually adapted to architectural conditions, design specifications or special functional requirements. Whether different proportions, special heights or integrated equipment such as LED lighting and radiant heaters - every type of MMA is realized with the highest precision at the customer's request.

Manufactured in true Made in Germany quality, the Uhlmann type MMA stands for the perfect combination of design, engineering and individuality. This sunshade is not just a functional shading system, but an expression of architectural aesthetics - a work of art among sunshades.

about Uhlmann

Uhlmann Parasols – German craftsmanship since 1992
Anyone who buys an Uhlmann parasol chooses genuine German quality workmanship. Since its founding in 1992, the company in Uttenweiler-Dentingen, Baden-Württemberg, has been manufacturing parasols for the highest demands – Made in Germany and crafted with passion down to the smallest detail.

Under the leadership of Christian Maar, robust, durable and elegantly shaped large parasols are created in the in-house manufactory, convincing through functionality, aesthetics and solidity. Around 40 employees work year-round to ensure that every product meets Uhlmann’s high quality standards – from the selection of materials to final assembly.

Parasols Made in Germany – quality that impresses

Uhlmann parasols are produced exclusively in Germany. The canopies are sewn by experienced staff from high-quality fabrics, with reinforced hems and elegant colour effects that lend any outdoor area a particularly stylish ambience. Printing, custom solutions and winter service are also carried out in Germany – for a perfectly rounded result.

The range includes large parasols in round, square or rectangular form with surface areas from 4 m² to over 78 m². A wide choice of fabric colours, special coatings and practical accessories such as lighting, radiant heaters or ground fixings is available. Whether for gastronomy, hospitality, public spaces or private gardens – Uhlmann delivers bespoke solutions that set standards in design, stability and wind resistance.

Award-winning innovation – strong-wind parasol of the year

With its innovative strong-wind parasol, recognised as one of the “Solutions of the Year 2021” at the renowned “Gardens of the Year” competition, Uhlmann proves its expertise and innovative strength. The company is among Germany’s leading parasol manufacturers and also supplies partners in the USA via the general importer J. R. Partners in California.
