Product description

UHLMANN Type T - round parasol Ø 5.5 m

The UHLMANN Type T Ø 5.5 m is one of the largest round parasols in the range and, with a shaded area of around 23 m², offers generous protection for spacious terraces, hotel areas or outdoor areas in the catering trade. Despite its impressive size, the parasol impresses with its elegant lines, harmonious proportions and easy handling.

The sturdy aluminum frame with powder coating ensures high resistance to wind, moisture and corrosion. The high-quality Sunacryl® cover is UV-resistant, water-repellent and retains its color brilliance even after many years of intensive use.

Thanks to the telescopic mechanism, the parasol can be opened and closed easily without having to move tables or chairs - ideal for professional use in restaurants, cafés or hotels.

A wind roof, valance, LED lighting, radiant heaters or individual color variants are optionally available, so that the type T Ø 5.5 m fits perfectly into any architectural concept.

Manufactured in true Made in Germany quality, this large sunshade stands for precision, durability and functionality at the highest level - a stylish shading system for sophisticated outdoor areas.

about Uhlmann

Uhlmann Parasols - German craftsmanship since 1992

Anyone who buys an Uhlmann parasol chooses genuine German quality workmanship. Since its founding in 1992, the company in Uttenweiler-Dentingen, Baden-Württemberg, has been manufacturing parasols for the highest demands - Made in Germany and crafted with passion down to the smallest detail.

Under the leadership of Christian Maar, robust, durable and elegantly shaped large parasols are created in the in-house manufactory, convincing through functionality, aesthetics and solidity. Around 40 employees work year-round to ensure that every product meets Uhlmann's high quality standards - from the selection of materials to final assembly.

Parasols Made in Germany - quality that impresses

Uhlmann parasols are produced exclusively in Germany. The canopies are sewn by experienced staff from high-quality fabrics, with reinforced hems and elegant colour effects that lend any outdoor area a particularly stylish ambience. Printing, custom solutions and winter service are also carried out in Germany - for a perfectly rounded result.

The range includes large parasols in round, square or rectangular form with surface areas from 4 m² to over 78 m². A wide choice of fabric colours, special coatings and practical accessories such as lighting, radiant heaters or ground fixings is available. Whether for gastronomy, hospitality, public spaces or private gardens - Uhlmann delivers bespoke solutions that set standards in design, stability and wind resistance.

Award-winning innovation - strong-wind parasol of the year
