maintenance and repair. The warranty for these umbrellas is 15 years for the structure and 5 years for the canopy. Their timeless beauty makes them a true highlight on any terrace.

Key Features of the Ocean Master M1 Collection:

- **Exceptional Durability:** The aluminum crown system combines longevity and elegance, making it a real standout on any terrace. The optional Lift System with sail clamp aids in the effortless opening and closing of large umbrellas and is suitable for marine use.
- **Structural Support:** The ribs of the Ocean Master M1 umbrellas are reinforced at the joints, distributing the load effectively and ensuring enhanced durability. Corrosion-resistant resin components provide additional longevity.
- **Reinforced Canopy:** All Tuuci® umbrella canopies feature a reinforced pocket design that uses ballistic fabric to enhance strength and resistance to wear and damage. If the umbrella falls to the ground, the canopy remains durable.
- **Ideal for Outdoor Use:** Ocean Master M1 umbrellas are specifically designed to withstand the harshest environments and weather conditions.

Technological Features:

- **Patented crown with independent attachment points**
