Product description

SIFAS KOMFY ROPE - Modular outdoor lounge with rope mesh

The new **KOMFY ROPE series from SIFAS** expands the successful KOMFY family with a particularly light and elegant variant. Thanks to its **modular system**, individual lounge landscapes can be created with just three modules - flexible, personal and perfectly tailored to modern outdoor areas.

The combination of **powder-coated aluminum structure, braided polyester rope (Rope)** and **high-quality seat and back cushions** gives the series an airy aesthetic and high stability at the same time. The cushions offer exceptional comfort and are **ideal for outdoor use**: water-resistant foams, 100% acrylic padding and integrated water drainage ensure quick drying and durability.

For over **60 years, SIFAS has stood for French design expertise**, timeless elegance and technical innovation. The KOMFY ROPE range combines these values with a modern, relaxed look - ideal for **patios, gardens, pool areas and sophisticated hospitality and contract projects**.

The company is enduringly imbued with the revolutionary concept of living that finally brought light into homes, blurring the boundaries between indoors and outdoors and turning the garden into an open-air living area. In 2019, Sifas takes its inspiration from its heartland —the Riviera— and from the region's glory years.
