Design: Stefano Bettio

Product description

The 7For sideboard by SCULPTURES JEUX combines Italian design with exceptional freedom of choice. Designed by Stefano Bettio, this modular furniture system features clean lines, timeless aesthetics and versatile customisation options.

The 196 cm wide designer sideboard features two side-hinged doors and two centrally positioned drawers. The body and fronts are available in premium real wood veneers, including oak, anthracite-stained oak and American walnut, as well as a wide selection of lacquered colours from the T Touch collection. Different finishes can be combined to suit your preferences.

Whether wall-mounted for a floating appearance or placed on an optional black metal base, 7For complements modern living spaces, offices and sophisticated interiors.

Thanks to its modular design, the 7For system can also be customised in other dimensions, colour combinations and finishes. The result is a distinctive piece of designer furniture tailored to your personal style and space.

We are happy to assist you in customising your SCULPTURES JEUX 7For sideboard.

about Sculptures Jeux

Sculptures Jeux is about playing with spaces, making the home lively and changeable, it's about being original by bringing color into our lives.
Home is the refuge of our feelings, a place where we experience emotions with the people we love.

Product information

Thus, the space that surrounds us gains importance, the furniture follows our personality, it is one with what we want to convey every day, it means communicating without saying a word, but with materials, shapes and colors. People and their creativity are at the center of the room.

Sculptures Jeux is committed to the green concept and uses a photovoltaic system to support 70% of its production. All panel and solid material suppliers are FSC-certified. The combustion of the biomass generated from the operation heats Sculptures Jeux's offices and workplaces and the production follows US regulations for low formaldehyde emissions.
