Descrizione del prodotto

SIFAS BASKET - Salotto da esterno premium con l'iconica lavorazione del vimini

La **collezione SIFAS Basket** porta una straordinaria firma di design in giardini, terrazze e patii: ispirata a Kalife, con volumi chiari ed equilibrati e un sofisticato intreccio in poliestere rivestito in PVC - impermeabile, robusto e perfetto per l'uso quotidiano all'aperto. Il risultato è un look elegante e allo stesso tempo durevole.

Basket è stato progettato come un sistema lounge completo: divani e poltrone lounge costituiscono la base, completata da elementi modulari che possono essere utilizzati per progettare salotti esterni individuali di quasi tutte le dimensioni, da terrazze compatte a spaziose aree per hotel o catering. Anche gli elementi relax/sdraio (ad esempio i moduli Recliner, Ottoman/Meridian) garantiscono il massimo del relax. I cuscini di seduta e di schienale abbinati, in diverse qualità di tessuto e con coperture protettive, completano la collezione.

Basket definisce anche gli standard in termini di qualità: il telaio in alluminio laccato garantisce stabilità con un peso ridotto, l'intreccio è facile da pulire e resistente - ideale per progetti outdoor impegnativi in cui design e prestazioni sono ugualmente importanti.

Scegliendo BASKET, non scegliete solo un mobile, ma uno stile di vita che si adatta perfettamente al vostro patio o giardino. Questi mobili aggiungono raffinatezza e comfort al vostro spazio esterno e offrono la combinazione ideale di funzionalità e lusso.
