Descrizione del prodotto

SCULPTURES JEUX GIRALOT COMP01 – Mobile da parete di design con 6 contenitori girevoli

GIRALOT COMP01 di SCULPTURES JEUX unisce il design italiano a una straordinaria funzionalità. Sei contenitori girevoli a 180° offrono soluzioni versatili per organizzare gli spazi anche negli ambienti più piccoli. Con una profondità di soli 30 cm, questo elegante mobile multifunzionale è ideale per ingresso, soggiorno, camera da letto o ufficio. Gli inserti portascarpe opzionali consentono inoltre di utilizzarlo come pratica scarpiera salvaspazio.

I contenitori sono disponibili in pregiate finiture impiallacciate in legno (V Furnier) oppure in diverse tonalità di laccatura opaca (T Touch). GIRALOT può così essere personalizzato e integrato armoniosamente in differenti stili di arredamento.

Caratteristiche del prodotto:

- 6 contenitori girevoli a 180°
- Profondità di soli 30 cm
- Colonna portante posizionabile a sinistra o a destra
- Finiture in impiallacciatura di legno o laccatura opaca colorata
- Inserti portascarpe disponibili come optional
- Portata massima del ripiano intermedio: 15 kg
- Struttura appoggiata a terra con fissaggio a parete in due punti
- Consegnato completamente assemblato

Informazioni sul prodotto

Nota per l'installazione: La versione standard è adatta a battiscopa con altezza massima di 7,5 cm. Per battiscopa più alti è disponibile una prolunga visibile di 10 cm, che consente di raggiungere un'altezza massima del battiscopa di 17,5 cm. L'altezza complessiva del mobile diventa quindi di 206 cm, mentre le altezze dei singoli contenitori girevoli rimangono invariate.

su Sculptures Jeux

Sculptures Jeux vuole giocare con gli spazi, rendere la casa vivace e mutevole, essere originale portando il colore nella nostra vita. La casa è il rifugio dei nostri sentimenti, un luogo dove viviamo emozioni con le persone che amiamo.
Così, lo spazio che ci circonda acquista importanza, l'arredamento segue la nostra personalità, è un tutt'uno con ciò che vogliamo trasmettere ogni giorno, significa comunicare senza dire una parola, ma con materiali, forme e colori. Le persone e la loro creatività sono al centro della stanza.

Sculptures Jeux è impegnata nel concetto di verde e utilizza un sistema fotovoltaico per sostenere il 70% della sua produzione. Tutti i fornitori di pannelli e materiali solidi sono certificati FSC. La combustione della biomassa risultante dall'operazione riscalda gli uffici e i luoghi di lavoro di Sculptures Jeux e la produzione segue le normative statunitensi per le basse emissioni di formaldeide.
