Descrizione del prodotto

SCULPTURES JEUX COSMICO – Appendiabiti di design italiano

L'appendiabiti COSMICO di SCULPTURES JEUX è stato progettato dallo studio italiano Ottone Studio. Il suo design combina una sottile struttura metallica con sei elementi circolari di diverse dimensioni, disposti in modo da richiamare un sistema planetario.

I sei dischi appendiabiti possono essere personalizzati singolarmente e combinati in diversi colori e finiture in legno. Sono disponibili finiture laccate colorate, rovere, rovere tinto antracite e noce americano. Per i due dischi grandi sono disponibili anche gli specchi.

Con un'altezza di 175 cm e una base di 40 cm di diametro, COSMICO è adatto a ingressi, ambienti residenziali, uffici e hotel. Oltre alla sua funzione pratica, la forma originale aggiunge un elemento decorativo all'ambiente.

COSMICO è disponibile anche nella versione appendiabiti da parete.
